THE COMMISSIONER OF PATENTS AND TRADEMARKS
Alexandria, VA 22313-1450

Sir:

PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION

1. Attorney handling this matter for the U.S.P.T.O.: Thomas Hawkins
2. Petition: Applicant hereby petitions to revive an unavoidably abandoned application, and for reinstatement of the above-identified application.
3. Nature of Abandonment: A Notice of Allowance was mailed 12/16/2005 in the above application, with a Due Date of March 16, 2006.
The Fees were timely sent. P.T.O. receipt, dated 3/15/2006, for the Issue fee transmittal form 85B and the Credit card payment form 2038 was previously acknowledged under a petition to Withdraw of the Holding of Abandonment.
A Notice of Abandonment was issued June 08, 2006 for failure to timely pay the required issue fee and publication fee with the notation that the issue fee and publication fee had not been received by the due date of 3/16/2006, because the credit card was declined.
However, Applicant and Attorney were not advised of the problem until after the application was held to be abandoned.
4. Action Requested: Because Applicant had made good faith effort to timely pay the fees, and received no information to the contrary on which to act until after the holding of abandonment; Applicant submits that the abandonment was entirely unintentional. Revival of the unintentionally abandoned application is respectfully requested.
5. Petition fee: Authorization is hereby given to charge the Issue, Publication, and Petition fees to deposit account number 16-2497.

Respectfully Submitted,
